

minute and to revise and extend his remarks.)

Mr. BOWMAN. Madam Speaker, I rise to emphasize how important our actions today are for domestic violence survivors everywhere.

Domestic violence is yet another pandemic in this country. In my district, we have seen a rise in domestic violence during the COVID-19 pandemic amongst teenagers.

Survivors of domestic violence carry their experiences with them every single day, experiencing fear, chronic stress, self-doubt, depression, and so much more. This emotional trauma can prevent survivors from accessing and maintaining safe housing, employment, and supportive relationships, leading to feelings of isolation that only worsen their mental health.

Organizations in my district, like Safe Horizon, Westhab, Family Services of Westchester, and the YWCA are a lifeline of support for survivors of domestic violence. The Federal Government should support groups on the ground like them doing this important work.

Madam Speaker, I strongly believe that together we can prevent all violence and create a culture of care for one another. This legislation, which will authorize funding for preventative and culturally responsive services, is an essential step toward this vision.

Madam Speaker, I am proud to co-sponsor this bill, and I rise in support of its passage.

CRISIS AFTER CRISIS

(Mrs. LESKO asked and was given permission to address the House for 1 minute.)

Mrs. LESKO. Madam Speaker, the Biden administration and Democrats are causing one crisis after another, whether it is the disastrous withdrawal from Afghanistan; whether it is open border policy where caravans are coming here; whether it is increasing gasoline prices at the gas pump, increasing grocery prices, a shortage of goods so that we can't even get gifts at Christmas. Now the Biden administration and the Democrats want to pass a natural gas tax, which will cause heating prices and electricity to skyrocket.

Yet, at the same time that he wants to decrease natural gas in America, he is calling on OPEC to increase natural gas so that we can rely on it here in America. This makes absolutely no sense to me. It is as if he wants to hurt everyday Americans.

Madam Speaker, I object to these policies, and I hope that my Democratic colleagues do, too.

The SPEAKER pro tempore. Members are once again reminded to refrain from engaging in personalities toward the President.

THE IRS IS WATCHING

(Ms. FOXX asked and was given permission to address the House for 1 minute.)

Ms. FOXX. Madam Speaker, the Federal Government needs to stop sticking its noses in places it does not belong.

For the past 9 months, the size and scope of the Federal Government have expanded like a balloon being inflated with helium. Look no further than a provision in the Democrats' budget reconciliation package that allows the IRS to monitor the bank accounts of every American. If you made a deposit or withdrawal of more than \$600 cumulatively, the IRS would be the first to know. That is \$28 a day.

Madam Speaker, the American people are fearful of more government control, and I share their fear. America should never find itself standing at socialism's door, and this dangerous provision puts us one step closer to doing so.

IRS SURVEILLANCE PLAN

(Mr. BOST asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BOST. Madam Speaker, \$10,000 a year, an average of \$200 a week. Under the Democrats' IRS surveillance plan, that is all you will need to spend before they require the IRS to collect personal information on your bank transactions.

Let's put that in perspective. According to the USDA, an average family of four on a low budget paid roughly \$196 per week for groceries in 2019. That is almost enough right there to require your bank to turn over your information.

Now, with skyrocketing inflation and the costs getting higher and higher—and what if you pay rent, have credit card bills, a car payment, or need to buy gas that you can drive back and forth to work to support your family? That can easily exceed the threshold, and probably five times over.

This proposal is not simply targeting the richest Americans or big corporations. It means the IRS would have the personal information of almost every American with a bank account. This is an invasion of your privacy and a serious cybersecurity risk.
